SHAKER INTERIOR DOORS

THE MID-MARKET ALTERNATIVE FOR INTERIOR DOORS

Looking for something nicer than a v-grooved interior door?

Wanting solid timber doors but can't justify premium stained timber?

The Shaker range of interior doors are the answer. Whilst providing that quality solid feel and simple but effective visual detailing, these doors are perfect for mid-market builds.

With a classic look and timeless appeal, these doors will never go out of style! Characterised by the clean lines and flat inset panel, it's sleek and simple style complements any design whether contemporary or traditional.

Add a feature to your home with a barn door that complements your Shaker doors.

Barn doors will bring a rustic charm into almost any home style.

Barn doors come in 1 or 2 panel designs, with or without bracing. They are brought to life with the exposed barn door sliding tracks.
